WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., THURSDAY, SEPTEMBER 16, 1909.

ONE COPY—ONE CENT.

EXPLAINING TO OLIVER.
My sense of sight is very keen.
My sense of hearing weak:
One time I saw a mountain pass.
But could not hear its peak.
—*Oliver Herford.*
Why, Ollie, that you failed in this
is not so very queer:
To hear its peak you should, you know,
Have had a mountaineer.
—*Boston Transcript.*
But if I saw a mountain pass,
My eyes I'd never drop:
I'd keep it turned upon the height,
And see the mountain's top.
—*Philadelphia Public Ledger.*
I didn't see the mountain pass,
Nor hear its peak, by George:
But when it comes to storing stuff,
I saw the mountain gorge!
—*Boston Herald.*
All this jargon is mighty strange,
It's not the best, I hope;
Nothing about a mountain range
Nor of a mountain's hope.
—*Commercial Tribune.*

Miss Annie Laurie Henry of Carlisle and the
Rev. Harry M. Stansifer, Pastor of the Chris-
tian Church at Beard, Ky., were married Tues-
day at Lexington.

Fortune Telling

Does not take into consideration the one essential to wom-
an's happiness—womanly health.
The woman who neglects her health is neglecting the
very foundation of all good fortune. For without health
love loses its lustre and gold is but a dream.
Womanly health when lost or impaired may generally be
regained by the use of Dr. Pierce's Favorite Prescription.

**This Prescription has, for over 40 years,
been curing delicate, weak, pain-wracked
women, by the hundreds of thousands
and this too in the privacy of their homes
without their having to submit to indel-
icate questionings and offensively repug-
nant examinations.**

Sick women are invited to consult Dr. Pierce by letter free.
All correspondence held as sacredly confidential. Address World's Dispensary
Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.
Dr. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense
Medical Adviser, newly revised up-to-date edition—1000 pages, answers in
Plain English hosts of delicate questions which every woman, single or married,
ought to know about. Sent free, in plain wrapper to any address on receipt of
21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

The ☐ Deal Man.

Granison Taylor and Emma Gray, colored,
were granted marriage license last evening by
County Clerk C. L. Wood.

Mrs. I. S. Kay, formerly of this city, was one
of the entertainers of the day at "White Water
Park" Annual Pioneer Reunion. She interpreted
the Queen's, "Carmen Sylva and Frances
Fern." Other noted Kentucky folk were Hon.
Job E. Stevenson and Judge Davis of Norwood,
who at one time lived in Greenup county.

A slim crowd was present last night at the
Washington Theater to witness "Twelfth Night,"
the Shakespearean play. Unless Shakespeare
is put on with lavish gorgeousness it fails to
interest and attract. However, Miss May
Stewart and her excellent company gave a very
satisfactory performance and satisfied those
present as best they could.

HAFER—VICE

Mr. Lee Hafer, aged 18, and Miss Amanda
Vice, aged 16, were married last evening at

Davenport and wife of Greenup, Hendrick
Forman and Lane Rudy. Rev. M. A. Walling-

What has become of the Sutton street sewer

ago, to be proceeded with at once? Can the

Police Court.

In the Police Court yesterday Lizzie Ball,
colored, was assessed with a \$5 and coats at-
tached. Bettie Breckinridge, Charles Har-
rington, Bettie Brown and Ollie Brown were
before the Court on a family quarrel warrant,
and were dismissed after a fatherly lecture
by Judge Whitaker, who gave them kindly ad-
vice. Dick Davis had his examining trial for
participation in the Wall street robbery. He
was held to the Circuit Court in the sum of
\$500.

THE POWER OF STEAM.

Many May See But It Takes Genius to
Realize.

When James Watt saw the steam
causing the kettle lid to jump up and
down he said "There must be power in
that steam that it can lift such a
weight."
There was.
Millions prior to him had seen the
same phenomenon and regarded it as
an unexplained mystery.
Recent scientific research has put its
finger on the "cause" of Dandruff, Fall-
ing Hair, and consequent Baldness, and
has unearthed a tiny germ which eats
the life from the roots of human hair.
Newbro's Herpicide destroys this
germ and consequently restores the
hair to its natural state.
